

MATCHING CARD (20/80 size from 10 Ft)

## Instructions

1. Construct HOTV "Test Box" and cut along the line above.
2. Patch non-tested eye
3. Have child match letters in this document with the test box held 2-3 feet to familiarize.
4. Move back so test-box is 10 feet from the child.
5. Test 1st HOTV letter. Then 2nd, 3rd and 4th.  
20/40 for Kindergarten and younger  
20/32 for 3rd grade, 1st and 2nd grades
6. Switch Eyes and repeat steps 2-5.
